ICOM Dynamic Dual Fuel CNG Diesel

Ford Transit 2.0 - 2.2 Euro 6

| ENGINE | | |
|---------------------------------|------------------------------|------------------------------|
| Engine code | YMFA | CVF5 |
| Number of cylinders | 4 in line | 4 in line |
| Fuel injection system | Direct Injection common rail | Direct Injection common rail |
| Displacement (cc) | 1995 | 2198 |
| Maximum output (DIN hp(kW)/rpm) | 129(96)- 168(125) | 134(100)- 114(153) |
| Drag coefficient | EURO 6D TEMP | EURO 6D TEMP |

| DIESEL DUAL FUEL | |
|------------------------------|--------------------------------------|
| DDF Controller type | ECU Diesel Dual Fuel Controller |
| Alternative fuel type | CNG Compressed Natural Gas |
| Kit available | Light Duty |
| RPM substitution rate range | >idle to ≤rev limiter (1000÷4500rpm) |
| Average substitution rate* | 40÷45% |
| Average substitution city | 30÷35% |
| Average substitution highway | 50÷55% |

(* Diesel fuel reduction percentage)
